DID YOU SAY GLOBAL TRANSLATION SOLUTIONS?

Global Translation Solutions (GTS) stems from our ambition to empower individuals and organisations to communicate with their clients and partners globally using a single, consistent and reliable voice. We are a highly streamlined and professional ISO 9001:2008 and EN 15038 certified provider of professional translation, revision, proof-reading and other interpretation services based in Valletta, Malta but with a global reach through our network of fully qualified specialised translators and partner agencies. Our network consists of a certified team of experienced linguists and translators who provide tailor-made language solutions to our ever-growing list of established clients worldwide.

We believe that when it comes to written text, quality, consistency and accuracy not only reflect but also reinforce your brand no matter what language it is delivered in or where your clients are located. Quality and customer satisfaction are therefore central to everything we do. Our carefully selected team of linguists is made up of qualified mother-tongue graduates who perform translations to and from an extensive range of languages including all European languages, Chinese (Mandarin), Russian and Arabic amongst others.

GTS also offers expertise in a vast range of professional domains including pharmaceuticals, medicine, law, maritime & transport, environmental and commercial texts, IT, intellectual property, as well as web translations.

If you require fast, accurate and professional language services please do contact us for a quote. Our friendly and pro-active staff will do their utmost to deliver solutions that are specific to your language requirements and of the highest quality.

Contact us and we would gladly tailor our services around your needs!

WHAT WE DO

We are a professional translation agency with a difference. For us, translation isn't simply about converting text from one language to another; it's about understanding and translating our clients' needs in order to best reflect your message, irrespective of the language it has been written in. Nevertheless, one can never be too careful when it comes to professional documents. We offer high quality, secure translation services in the following areas:

Corporate Documentation

GTS provides a wide range of corporate translation services including:

- Marketing material
- Financial reports
- User guides
- Business brochures and press communications
- Product and services documentation
- Websites and web translation
- Corporate blogs

Legal Translation

GTS is able to offer a pool of experienced translators with a legal background in various areas including:

- Intellectual property texts
- Tenders and public procurement documentation
- EU documentation, legislation and regulations
- Contracts
- Court judgements
- Wills, probate forms and trust deeds

Medical and Pharmaceutical Translation

Through its in-house and external medical language specialists, GTS is equipped to ensure high quality translations of all sorts of medical and pharmaceutical documentation including:

- Medical trials documentation
- Articles and journals
- Packaging information and labelling
- Patient reports
- Treatment guidelines

IT and Technical Translation

We provide professional, accurate, and quality technical translations of all sorts of documentation in various technical fields across a vast array of language combinations. These include:

- User guides and instructions
- Technical specifications
- Operating manuals
- Technical patent documentation

Interpretation Services

GTS is able to provide a team of professional simultaneous interpreters for international conferences, events or private functions in a variety of topics and in different language pairs. We can provide professional interpretation services and equipment both in Malta and abroad and will handle the various organisational and logistical requirements in connection with rendering of our services. Please contact us for further details.

It's a matter of trust...

Our clients range from SMEs and public organisations and agencies all the way to larger international clients. From legal, to marketing, to the medical industry and back to technical and online industries, we are trusted across business sectors in Malta and abroad for the professionalism of our language experts and the quality of our superior service.
